1899	<p>The Paperclip</p> <ul style="list-style-type: none">Norwegian Johann Vaaler produced a version of the paperclip in 1899, though his <u>invention</u> struggled to compete with the English Gem clip. Proud of Vaaler's paperclip, Norway erected a large monument to it near Oslo. The paperclip also served as a national symbol of resistance to the Nazi occupation of Norway, according to Biography Base.	<p>Inventions of 1899 eHow.com http://www.ehow.com/facts_7403711_inventions-1899.html#ixzz27ion6XvC</p>
